## A Spirit of Giving

### SERVICE and SELF-SACRIFICE

are two of the values taught, encouraged, and reinforced at Shepherd of the Hills Catholic School. Students from pre-school through grade eight (along with their families and teachers) actively participate in many varied service projects throughout the school year. Some examples include:

- Making projects and singing songs for the parish widowed and single senior citizens
- Raising money for orphaned children in foreign countries such as Haiti and Ghana
- Christmas caroling at nursing homes
- Roadside clean-up on County Hwy B
- Flag distribution in remembrance of 9/11
- Baby shower donations
- Food drives for local pantries
- Donations to the Fond du Lac Humane Society
- Visiting St. Joseph Convent and making valentines for the Sisters
- Cleaning up the school and parish grounds
- Praying for parish members and their intentions
- Older children being paired up with younger children for reading, activities, and to become "special friends"
- Raising money for the American Heart Association through Jump Rope for Heart and Hoops for Heart
- Donations for the parish Christmas candle project

We encourage your participation in, prayers for, and support of Shepherd of the Hills School!  
The Holy Spirit is doing awesome things **IN** and **THROUGH** Shepherd of the Hills School!  
Join the Spirit!!
